## **PRESIDENT'S REPORT 2019 by Omar Sankari, Club Executive**

As 2019 wraps up I still cannot believe what a year we have had at the Berala Bears. First and foremost I need to sincerely thank the 2019 committee for all their hard work in ensuring my first year as president ran smoothly, this club wouldn't be such a great club without each and every one of you so thank you all.

A super special mention to Hash and Kylie who made the transition into this position an easy one and who have both taught me so much and supported me this year, I look forward to working with you both in the years to come to always make the Bears the best they can be.

Another special mention needs to go to the treasury team Craig, Kirsty and Casey who have ensured that our bank accounts are looking good and growing.

To our major sponsors Berala Hotel and Dooley's thank you for all your support.

Thanks also to club sponsors CTC Australia, Workscene, Generator Hire, Fuel Tank Hire and Sales it's been great having you all on board with us again. To our team sponsors Cando Electrical, ABA Builders NSW, Wow Desserts and Allforms Sheet Metal thank you for your support and we hope to have your support again in 2020.

This year we took to field with 13 teams a mix of both division 1 and 2 from 5's to 18's.

All the teams made us proud week in and week out. At the end of the season we had two mod teams U10's and U12's make it to grand finals who were runners up.

We also had three international teams make it to grand finals 16 Gold, 17 Silver and 18 Gold who were all Premiers.

We would like to congratulate all those teams on making it that far you did our Berala Bears name proud!

All this wouldn't be possible without our volunteers! From coaching staff, canteen helpers, bbq helpers, parents and committee you guys are the back bone of the club and all did an amazing job in 2019.

Hoping to see you all back making the bears great again in 2020.

Omar Sankari  
Club President

## **TREASURER'S REPORT 2019 by Craig McGrath, Treasurer, Club Executive, Editor**

Thank you to our Gold Sponsors Berala Hotel and Dooleys for your generous support. Your contributions ensure all players are fitted with quality training and playing gear ready to go at commencement of the season. Your contributions also contribute to ensure training equipment is upgraded, our facilities are kept to standard and we can plan for our end of season presentation with confidence in rewarding our players and committee with the celebration they deserve.

Thank you to our committee and volunteers for your tireless work on what was a very successful year at Bears.

Thank you to our club and team sponsors CTC Australia, Generator Hire, Fuel Tank Hire and Sales, WOW Desserts, Allforms Sheetmetal and Workscene for your generosity and support once again for season 2019.

Bears also welcomed NEW Team Sponsors ABA Builders, Isaacs Tippers, WOW Desserts and Cando Electrical.

It's wonderful that we have all these generous supporters to ensure the Bears look their best at all times.

2020 will come along very quickly and we look forward to continuing our relationship with all the above mentioned sponsors and hopefully some new ones for the upcoming season.

Thank you to our Assistant Treasurers Casey and Kirsty for all your support. Both personally and from the club as a whole for your dynamic and enthusiastic approach at making sure Bears does well financially.

Plenty of us enjoyed your snacks during the middle of winter and whilst this was no massive windfall financially for the club we know we had your heart felt support thinking of all of us freezing out there and making us something warm to snack on.

Your contribution of ideas is also very exciting for what lies ahead in season 2020.

Financially the club is in a good position. We are always endeavouring to improve the experience for our players, coaching staff, parents and supporters who are all part of our club at Berala Bears.

Congrats also to Omar on his 1st year as president and to Kylie for keeping us on all on our toes once again.

## BEARS ON FACEBOOK - PETER HISLOP

BERALA HOTEL  
WOODBURN RD  
BERALA

It's been a pleasure to once again be a part of this great Club. In 2019 we were able to field 12 teams and continue our Billy Buddies Program for 2-5 year olds. All our teams performed well with 5 teams making it to the Grand Final and three bringing home the trophy.

I would like to acknowledge the ongoing support of our fantastic committee and volunteers that have made my work as Club Secretary enjoyable. It is these people who put in the long hours week in and week out to make the Club an ongoing success.

I would personally like to thank Omar, Craig, Patrick, Fadi, Kirsty, Ella, Casey, Firas, Khaled, Anna, Hash, Sam and Lana for their endless support and time throughout this season. Without the work of these key people the Club simply would not function as well as it does. I would also like to personally thank every coach, trainer, manager, and first aider and ground official that has given his or her time to the Club this year. Without these volunteers no Team would take the field.

In addition to the great people already mentioned, I must also give thanks to our sponsors. We truly appreciate each and every one of you for your ongoing support of the Club and its Teams. In particular our major sponsor the Berala Hotel and our Community Partner Dooley's Catholic Club, Lidcombe. The on going support of these two sponsors has been crucial to the success and existence of our Club. I encourage all Club members to support both these fantastic establishments and in particular the Club run Joker Poker each week at Berala Hotel. To every team sponsor - your help has been immeasurable; we hope you have enjoyed your relationship with Berala Bears enough to continue next year. The Club would love to have you on board again so we can continue to deliver the best Rugby League program to the children and youth in our area.

In 2019 we had a number of players be selected for representative teams, including Canterbury Bankstown Bulldogs Harold Matthews and SG Ball sides and 14s and 15s Development squads. In addition to this Joseph O'Neill from our 16s was selected for the NSW Under 16s side and Bilal Yazici being selected for Turkey International Team. I would like to congratulate all these players on their achievements.

I would also like to thank the Canterbury Bankstown Bulldogs for their commitment to assisting junior Clubs this year. The Peter Moore Academy and Coaching Development Program sore a number of Berala players participate. I would like to congratulate Patrick Carroll our 11s coach for being recognised by the District for his coaching abilities and Calvin Doyle who was recognised for his great attitude. I would also like to thank first grade players Jack Cogger and Nick Meaney who have given up their own time to come down to training and spend time with kids throughout the season.

In closing this report, 2020 brings new opportunities and an open invitation for new members to be a part of this great Club. We hope to field more teams in the new year and continue our Billy's Buddies Program. Like every year there will be many challenges and perhaps some changes needed to make our Club stronger. If you would like to have a say on how the Club moves forward, I encourage you to take on a role and get involved.

On behalf of Berala Bears, I wish everyone member and their families all the best for the new year and hope you will continue to be part of the Mighty Berala Bears.

This is also a fantastic opportunity! A very big challenge for someone so young but he works very hard, is willing to learn and a pleasure to coach. No doubt he will gain plenty from the experience and do the Bears proud! So good on him and I look forward to watching his future."

Bilal has also represented Bulldogs Harold Matthews in season 2019 is a participant in the Bulldogs High Performance Squad and has been selected for the Bulldogs SG Ball Summer Squad 2019/20.

From all at Bears we wish him all the very best!

## JOSEPH ONEILL SELECTED FOR CITY AND NSW UNDER 16'S

Bears Coach, McGrath said " Fantastic NEWS!, Joe is such a hard worker".

" Joe would be very excited to be part of this squad no doubt, but the type of humble young man Joe is, he will be totally focused on playing his best footy at Bulldogs HM first.

He always takes one week at a time and never gets ahead of himself".

"Once HM is finished he will no doubt do exactly the same for Bears, one week at a time!"

" To watch Joe progress from Division 2 only 4 years ago to where he is now has been an outstanding achievement and a privilege to be a part of, but more importantly, just desserts for a young man who is prepared to work bloody hard ". " Joe is also such a hard marker of himself!

Whilst great to be named in the squad I know he won't be happy unless his performances meet HIS expectations!" "One thing is for certain, all his mates at Bears will be right behind him cheering him on!"

Go Joe! "

"Congrats also to David & Cathy, wonderful people.

### BEARS YOUNG GUNS PROGRAM - JUNIOR COACHING DEVELOPMENT

#### WHAT IS IT ABOUT?

Berala Bears is all about developing our junior community as a whole and sometimes not everyone can play rugby league. Weight, Size and Physical Strength are sometimes common attributes in a Rugby League Player BUT are not particularly required as a Coach, Trainer, First Aid Officer or Manager.

SO, if you love the game of Rugby League, SO why can you NOT still be a part of it.

The "Young Guns" Program is designed to encourage young sports minded people to get involved in our great game of Rugby League as Coaches, Trainers, First Aid Officers & Managers. NO MATTER HOW BIG OR SMALL!

Ages considered for the YOUNG GUNS program are both young Men and Women aged 16 - 23.

Training is conducted by fully qualified staff, FREE course tuition and FREE accreditation to successful applicants.

#### WHAT OUR EXISTING COACHES THINK?

WHAT A GREAT IDEA!:- "Reward and encourage our youth to get involved with our future stars!"

BRILLIANT:- "Will open the door to plenty of young coaches who have stopped playing the game!"

TRAINERS TOO!:- "Excellent idea for some young girls and guys who love their fitness to get our sides fit!"

WOW!:- "If only I was offered this support, I would have started coaching much earlier!"

CAN PLAYERS IN MY TEAM APPLY?: "To see a player I once coached, now coaching would be such a reward

#### MISSION STATEMENT

The "Young Guns" program will provide genuine pathways and support to our future generation of coaching staff. Coaching staff SHOULD NOT just be about a volunteer role, it should be inclusive, fun, educational and rewarding.

### TEAM REPORT

Where do I start? Brilliant year for the under 6s in 2019. By the will of God the boys went through the season undefeated. Our only hiccup, a draw later in the year when missing a few strike players.

Played 14 in season for 13 wins and 1 draw. Played 5 games at Terry Lamb gala for 5 wins

Leading try scorer of the entire competition, Osman Fayad 51 tries.

3rd leading try scorer of the competition, Mansour Jnr Ardati with 46 tries.

A points differential of 405 and best defence in the comp make it one all mighty successful year.

Very proud coach and staff. All the boys made massive leaps in improvement and will only get better, especially with 4 debutants and 3 players still eligible for the under 5s.

Special mentions to Jacob Arnaout, Aydin Arnaout, Abdul Moussa and Junayd Gebara for an excellent first up season. These boys all are valuable additions to our side and gelled immediately.

Furthermore congratulations to Zayno, Issa, Juju Tarabay and mr courageous Abu Bakr Hallak whom all improved out of sight.

Last but no least our 2 spearheads of the team, Lil Ozzy and Mansoura. Super proud of what they have achieved and what level they're sitting at only 6 years of age. God bless them both along with their team mates. Made for a very enjoyable and proud year.

Huge shout out to the parents whom make coaching and running this team so easy. Without your support this season could not be possible. Thank god we have a very special group of boys and it's a privilege and honour to coach them. They make waking up early on Saturdays well worth it.

Thanks again, God bless, signing off on season 2019.

### TEAM REPORT

It's been an interesting and exciting year for our Berala Bears U8's.

This year we had six new players join our team that had never played rugby league before, now looking at them you wouldn't be able to tell.

The team as a whole have come a long this year and improved in most aspects of game even behaving a little better at training!

Instead of focusing on wins this year we focused more on fine tuning and developing skills that will stick with them for the rest of their future in the game.

We went back to basics and it paid off, when I think back to how we started this year until the end of season it's a big difference, all the players are stronger and more confident in their abilities.

We had our up's and down's throughout the season, some impressive wins and disappointing losses but the team stuck together and all the kids had each other's backs and as a coach that's what makes me so proud.

I look forward to taking the team next year into their first official competitive season as Berala Bears U9's.

Special thanks to my coaching staff Zaher Badra, Mayssa Saddat, Tyrone Manning and Bilal Sankari for your endless hardwork and support with the team this year I truly appreciate all your efforts.

Also big thanks to the parents for getting the kids to training and games. You guys are the voice of our team and all your cheering and support week in and week out does not go unnoticed.

I look forward to seeing you all back at preseason training, we have a massive 2020 ahead of us and a lot of hard work still to come.

### TEAM REPORT

Here we go again another season over!

Firstly I would like to say thank you to our Coach Fadi Moussa for taking on the U9's also for the amount of time that you have contributed to get this team on the roll! We wouldn't have been able to do it with out you and our trainer Zafer Hallak.

We had most of our team players from last year return and 3 new team players. It was such a pleasure to take on board these 3 new players Aran Uluc, Salaheddine Zreika and Amira Sankari. Both boys contributed so much on the field and had fun at the same time. Amira Sankari being the only girl on our team also had her first games this year, was fearless and showed so much passion in how much she loves her games!

These kids accomplished so much every week with their skills and had faced many new challenges. Even though we didn't win as many game this year, the team would still turn up to training week in and out during the season. The one thing that this team did was never gave up and gave there all.

Congratulations to Bakar Hammoud in achieving the top scorer award this year. He got it last year as well, he's gonna be doing it again next year too for our U10s.

Just a special thank you to the parents ongoing support we certainly can hear your cheering on the ground. Enjoy the off season. We shall see you all again next season!

### TEAM REPORT

Another season with a lot of new players. We started the season in division 1 and to the kids credit, we gave it a fair crack. As coach I knew we were unable to compete at that standard and wanted the boys to develop their skills and confidence and find their love of the game. So it was put to a team vote that we would go to Div 2.

We started our 2019 season with so many new players, it was important that they got to, not only experience losses but also wins. The wins gave them a whole lot of confidence which lead us all the way to the grand final. Although our grand final didn't go our way, we can argue what happened, what should've happened and how we were robbed of our golden title, but at the end of the day, its a game. There will always be a winner and a loser.

The main thing is that we learn from this experience, continue to get better and continue playing the greatest game...rugby league!

As coach I couldn't be more proud of the team. So many of the players have grown into better footballers over the season.

This has been a real highlight for me this year which is what i love most about being a coach.

Thank you to all the parents for bringing their kids down to training every week. I think we almost had the best turn outs at training every week. Thank you to my manager Mustfa and trainers, Khaled, Ammer and Muzzy.

Thank you boys for a great season and thank you for all your time and efforts that you put into this team. Lastly, thank you guys for always making yourselves our free uber to the kids when they needed lifts.

As for next year, my 20th year at the club (broken years lol) once again I would love nothing more than for everyone to return again to give it another crack in the black n yellow colours. However if the winds take you in another direction then may you have the greatest success in which ever way you and your child choose to go. Thank you again to everyone who has been involved with our team.

Hope to see you all again in 2020. Up the bears!!

### Fowards (Center 4)

**Omar** - Look up the word MACHINE in the dictionary and I promise you, it should have a picture of Omar's face. Our work horse up the middle. Did a lot of damage to opposing teams.

One of his best seasons. Well done machine.

**Shia** - Our gentle giant who finally woke up towards the end of the season...what a beast! Shia caused a lot of havoc coming into semis footy and even scored a few tries along the way.

I'm hoping for a lot more of this next year. Well done Shia.

**Abdullah** - Fearless!!! Abdullah grew to new heights this year and what a sight it was to watch. Tackling boys twice to three times his size, you could tell this kid had grown confidence. His runs from dummy half that kept the defence and coach guessing were outstanding. Well done Abdullah. It has been a pleasure to watch your transformation from being a grub to a fearless grub.

**Bass** - One of my new comers. He came with a warning and believe me when I say this, he really tested my patience. However, after taking the time to really get to know Bass, I realised that this kid has a big heart!!! A passion for learning the game and doing everything he can to be the best. Thank you Bass for being apart of the team. I hope you come back next year so we can unleash more of your talents.

### Right Edge

**Manu** - Its hard to judge your own sons performance because you expect so much more. In saying that, this year I have seen him at his best and at his worse. If there is one thing I have learnt from this year about Manu, it is this, no one cares more about this team than Manu. The amount of tears he had because he felt he let his team down in the grand final shows how much he cares for his team mates. He is always one to back up his team mate n he will absolutely hurt anyone if anyone tried to hurt his mates. He will learn from this and hopefully next time it will be happy tears. Well done son.

**Sarah** - Another newbie to the team. I don't know what it is but every time I have a girl on my team we always seem to go good. What a find she has been! Every coaches dream in coaching a player. Listens, doesn't talk back and gives everything she has when asked. It has been awesome to coach you Sarah and hope you come back next year continue to learn this beautiful game. Well done on a great season.

**Mo Malas** - What a story this kid has had this year. New to rugby league, he was cut from our original team, however he got told he could still train and hopefully make the team next year. Malas you should be so proud of what you have achieved this year, to get cut and then make the team in the same year is awesome. You have been my most improved this year. It has been a great pleasure to watch you train every week and see you get better as a footballer. I can't wait to see how you go next year.

### Left Edge

**Jad** - My best defender for 2019. The countless tackles he made this year were outstanding. A lot of opposing teams tried to run their attack towards Jad and his edge until they realised real quick that they wouldn't be able to get through. The toughness he showed this year shows he has a great future ahead. Jad, you should be super proud of yourself. Well done.

**Izzy** - Talk about 2nd year syndrome. It was like he was injected with advanced hormones and off he went. Izzy was a highlight reel this year. Scoring tries from one end of the field to the other. Breaking lines and laying out some big hits. What ever it is, keep it going. Well done Izzy. Best back 2019!!!

**Nouh** - He's an oldie but a goodie. Nouh came back to the bears this year after long break but it didn't take him long to fit right back in. Nouh with his speed and step scored a few great length of the field tries. Still needs to learn not to tackle above the shoulders but other than that he had a great come back season. Well done Nouh.

### Fullback

**Issac A** - what more can i say about this kid? Absolute natural! His speed, his flare and that step, WOW! This kid has it all. This once upon a time soccer player has become my best and fairest for 2019. Would you believe me if I told you its only his 3rd year? Well done Issac on a great season. You keep growing into a great footballer, cant wait to see you go again next year.

**Tarek** - One of my veterans in the team. Co captain, Tarek was missed throughout the second half of the season. This kid is a gun of a player. His energy and whole vibe about playing footy is what every coach dreams of. Tarek, you have been an absolute pleasure to coach over 6 years. I will miss you dearly and so will your team mates. Which ever sport you choose to do I know you will be good at. As long as you keep that passion and just be you I'm sure I'll see you on tv one day so don't forget us! Take care for now.

**Cameron** - Another new player to the bears. Cameron has been a delight to coach this year. I wish every kid had Cameron's positive attitude. No matter how hard training was or what obstacles were in his way he will always seem to overcome it with a positive vibe. I hope you continue to play Cameron as I think you will only get better with time on the field.

**Pat** - A hot n cold season for Pat this year. Had to play many positions as we couldn't seem to get him into the right fit. However, Pat always came ready and willing to play his part in the team. Hopefully with consistency to training we can improve the footy skills and get you playing great footy. You have some big shoes to follow and I'm confident you will be better than your brother Latrell.

**Marcus** - The last of our new comers. Showed glimpses of a good footy player this year. Injury and holidays saw him miss out on a few games which he could've improved not only skills but gain much needed experience. Marcus can be proud of his efforts this year. I'm looking forward to seeing how you progress over the coming years. Well done Marcus.

### TEAM REPORT

Season 2019 was a rebuilding year for the boys with 5 players not returning from the previous season.

However we welcomed new players Hafez, Moey, Danny, Yusuf and Ali.

Thank you to Pat and Kylie for giving me the opportunity to work on the individual skill set of every player.

New structures were built to allow every player an opportunity to showcase their skill and understanding of the game. Some players excelled and some perhaps not, but DEFINATELY NOT nothing gained.

It takes time for players to be educated and understand why they do things at certain times. We did see glimpses but were not consistent enough. This however will come with more practise and understanding.

The fact that we stayed well in touch with the top teams indicates we are learning and will only get better.

EVERY PLAYER in a TEAM has a job to do and once all the boys consistently do that results will take care of themselves

Thank you to Kylie, Pat, Jaxon and parents for all your awesome support throughout the year.

Also thank you to Wow Desserts as sponsors and Boe for his Weekly Man of the Match Award.

## UNDER 11 - DIVISION 1 - SEMI FINALISTS - PLAYER PROFILE

**Adam** - What a season! This kid is a total work horse who put 110% into his footy week in and week out. Adam had a tremendous work rate in defence this season and ended the season playing full of confidence. It is clear Adam has found his love for footy again. Keep up the great effort Adam and congratulations on a great season.

**Ali** - In his first season at the Bears, this kid is always wanting to improve his game and learn new things. Ali has a great skills set and plays the game with a mature head. Throughout the season Ali was happy to change positions to get the job done when it was needed. His great attitude has led him to be great role model amongst the players.

**Calvin** - The team player who is always willing to have a go and contribute to the team's success. Throughout this season Calvin's pulled off some great surprises in defence which seen his confidence grow and his skills develop further. In 2020 we are challenging Calvin to go in hard and strong for season 2020.

**Cruz** - This kid has a true love for the game and at times lets his footy head and quick mouth get the best of him. We know it's not easy being the coaches son (just ask Jax). This season for Cruz was about taking the vest off and putting the footy brain to work, which he did eventually. Cruz's defence improved greatly this year and was truly noted by all.

**Danny** - In his first season at the Bears, this kid really puts his neck on the line each week (pun intended). The hardest player in the comp, however even the hardest get injured. Danny had a tremendous season with him developing every week to earn him the Teams Best and Fairest Award. Pleasure to coach and was a critical loss just before finals. Hopefully fully recovered now and will keep getting better as a player.

**Deon** - Do not let this kids small size deceive you, he is the fittest and fastest in the team. This season seen Deon own his edge and develop in confidence. Deon will mature mentally from this year and will have plenty more confidence for 2020. Throughout the season Deon made some great tackles, playing well above his weight. Prediction - Most improved player next season!

**Hafez** - In his first season at the Bears he proved to be one of the most improved players in the team. Hafez has a good attitude which makes him easy to coach which will see him reach his full potential. Great season at the Bears with plenty of expectations for next year we look forward to 2020.

**James** - This kid is a Gun! Yes, he is gifted with natural footy ability but this year seen James play smart footy too! He is also a true pleasure to coach. James' ability to pick things up quickly and execute them when needed makes him a standout in this team. With the style of footy planned for this team James footy will certainly go from one level to another.

**Kysen** - The most experienced forward in the team with plenty ability. Kysen wears his heart on his sleeve and shows great passion each week. This season he was put under a lot of pressure after losing two key forwards from the previous season. However, he stood up to the challenge and led the pack each week.

**Muhammad** - In his first season at the Bears Moey played to his potential when he could. Unfortunately, injuries were an issue throughout the season and impacted on his consistency and game time. Hopefully with some recovery in the off season Moey will come back better in 2020 for a great year of footy.

**Seth** - One of the quiet achievers of the team who is developing well with his ability to read and execute plays. This season saw Seth take off the vest and run plays we see in the NRL. Seth never wants to tread on anyone's toes, but is learning to use his voice to get the players around him working. In 2020 we are going to see Seth barking orders to the players around him.

**Yacoub** - Plenty of heart and ability! However, sometimes things just didn't quite go right for one of the best talents in the competition. Yacoub has so much potential and talent and has learnt plenty from this season about how to execute it and put into action. We know 2020 will see Yacoub come out playing better than ever!

**Yusef** - In his first season at the Bears and his very first season of tackle footy he showed he can play tough. One of our forwards in the team he was hard to stop once he got going. Yusef is a player who has plenty of potential and expectations for next season, we look forward to seeing him in 2020.

### TEAM REPORT

2019 year was a very successful but a heartbreaking year for the boys.

After a slow start we managed to make the Grand Final and missed out again 2 years running.  
I know it was very hard to take the loss on Grand Final day but we all achieve great success again.

Personally it was very difficult for me to see how much it effected the boys as these kids are like sons for me.

I still believe it was a sensational effort considering the start we had and the injuries throughout the year.

Very proud of their effort and achievement.

The team this year had some new players and majority of the existing squad from last year.

I don't want to single out any player individually but like to say that every one of them played to their potential and will improve as they keep playing.

A big thank you to the coaching staff the club and especially to the very passionate parents this year the parents were absolutely awesome with their support and passion you displayed throughout the season.

Hope to see you all in 2020 for a bigger and better season.

Coach Ercan Karasu.

### TEAM REPORT

The footy season is over already, 2019 was a year which saw the U13's and U14's join as one team due to lack of numbers in both age groups, the boys got along well, and played good footy in patches. I do believe with a little more believe and effort we could've given the comp a good shake up, but it wasn't meant to be, just missing out on the semifinals was sad but we got no one to blame but ourselves.

Having said that, I'm very proud of the boys and the effort they put in, especially the younger boys, if I can give one advice to the boys it would be to believe in themselves and their ability.

I would like to thank all the boys for a great year.

I also would like to thank the rest of the coaching staff, Amer Elrich, Mohamad (Wally) Abbas and Shereen Chami, thank you guys for your help.

And not to forget a big thank you to all the parents for your support and time.

So until next year, take care everyone and have a safe off season, see you next year.

Thank you, Fadi Moussa

#### TEAM REPORT

The commitment and determination of the U15 Berala bears rugby league team paid dividends towards the end of the season winning the last 4 out of 5 games however we missed out on playing semi-finals footy this year by 2 points. The boys showed great beliefs through out the year working and training hard together this year, the intensity of their training and the commitment they have shown week in and week out was unbelievable and fantastic to see.  
A joy to coach, thank you boys for your effort.

Thanks to the clubs great support this year making it possible for training and helping out on game day.  
Thank you to the families of the boys adding that extra helping hand.

All in all 2019 wasn't our year though it puts the boys in a great position for 2020 success.  
Regards, Johnny Yilmaz

#### TEAM REPORT

Poor preparation early on with 10 players representing Harold Matts for Bulldogs, Manly, Tigers & North Sydney. It would not be till round 4 before all players could suit up for Bears and for some of the reps even longer due to injuries sustained during the representative competition. Thank you to our 15's Div 2 who helped out during the early season when at times we only had 9 players available. Thank you to our players who did not feature in the reps yet turned up to training knowing the conditions were far from ideal.

To finish such an interrupted season with just the 1 loss and a draw is testament to the character of these fine young men. Even the Coach and Manager left them for a month on holidays mid season and thank you to Cathy, Andrew, Jon, Jacko, Pat & Bobby for taking care of the boys during the season and whilst we were away.

The competitiveness and excellent attitude of this squad allows them to excel in performance in many ways. Never give up attitude and always playing football "NOW" makes them a spectators dream to watch. With skill levels and attitude beyond their years makes it a pleasure to be a part of.

We all got to see their best in the 2nd 1/2 of the Grand Final scoring 32 unanswered points in 20 minutes of football after trailing 18-4. They were great! but there were plenty of other moments during the season that contributed to that final game! We didnt take shortcuts and we all worked bloody hard! Well deserved I SAY!

PLAYER PROFILE

**Anthony** - Very consistent, strong and fast.

**Bilal** - "Billy" - Missed about 1/3 of season with injury, finished awesome as one of our best.

### TEAM REPORT

Started the season struggling for numbers, preseason we only had 9 training and not knowing if we will get a team before the start of the season. Thursday 3 days before season kicks off we had another 10 boys turn up to play.

What a season 1 loss during the regular season to a gun team with only 12 boys during that game. With that little hiccup we went on to finish as minor premiers and winning the big dance the Grand Final.

Congratulations to all the boys that made SG ball from our team, hope you make it all the way.

Thank you to Jayden and Pat for all your efforts getting the team ready every week. Also Rodger and Mazen thank you for everything you done for our team this year.

And our manager Bassimah thank you for your efforts and making sure Jayden and I are kept in check every week.

To all the parents that come out every week and supported us, wow you guys are awesome.

A special thanks to our biggest supporter my Mum she was at every game rain, hail or sunshine, the boys really appreciated your support.

Hope you all come back next year and do it all again.
